

Georgia PGA Section Tournaments Dress Code

All Golf Professionals will be required to present a neat appearance, appropriate to a professional golf tournament in both clothing and grooming. No participant shall be allowed to be a Tournament round inappropriately attired. Male PGA participants may wear shorts anywhere on Club property during practice rounds only, with the approval of the Host Facility and without objection from the tournament sponsor. Participants must wear slacks and shall not wear shorts anywhere on Club property during tournament rounds or while practicing on the driving range, practice chipping or practice putting greens on tournament round days.

. Female PGA participants may wear culottes, walking shorts or golf skirts, which constitute acceptable clothing worn by women in connection with participation in professional golf tournaments.

Note: Tournament Pro-Ams are **not** considered practice rounds and therefore shorts will not be permitted.

Georgia PGA Chapters and Division Dress Code

Male PGA participants in events conducted by the Chapter or Division may wear shorts anywhere on Club property during practice rounds, tournament rounds or while practicing on the driving range, practice chipping or practice putting greens on tournament round days with approval of the Host Facility and without objection from the tournament sponsor. Female PGA participants may wear culottes, walking shorts or golf skirts, which constitute acceptable clothing worn by women in connection with participation in professional golf tournaments.

For male professionals, Bermuda length shorts are permitted. The hem, which can be cuffed or uncuffed is defined as being around 1 inch above the knee. Cargo and denim shorts are not allowed.

Amateur Dress Code

Amateurs may wear shorts during practice rounds and tournament rounds.

It is important to check the tournament information page when registering for an event to determine whether shorts will be allowed or not. Players in violation of the policy will be asked to change should they not be in compliance.
