Determining Age Divisions

A player's age division is determined as of their age on the first day of each tournament. For example, a player who turns 16 on July 1st will play all events before July 1st in the 14-15-age division, and will be automatically moved to the 16-18 division after that date. If that player turns 16 on the first day of an event, he or she will be moved into the 16-18-age division for that event.

If a player changes ages in the middle of the season, their Player of the Year points for that age division will be lost and they will start fresh in his/her new age division. If a player does not want to lose his/her points, they may "play up" a division at any point during the year. The request to declare to "play up" must be made before the registration deadline of a tournament to be considered. Requests to declare to "play up" will not be accepted once tee times are made for a tournament, and the player will have to wait until the next tournament in order to participate in an older age division.

TOURNAMENT REGISTRATION PROCEDURES

Tournament Entry Fee and Procedure

Tournament entries will be accepted on a first-come, first-serve basis for each event after the tournament entry date is open. No entries will be accepted before this date. **Members will have priority for the first two weeks of each entry period before entries open to non-members.** All entries must be registered online with the Junior Tour office by the stated deadline. Most tournament entry fees will be \$160.

To enter online, [CLICK HERE](#) and select the tournament you wish to register for.

Registration is limited to the first 84 players for most Georgia PGA Junior Tour events and is on a first come first serve basis, with no consideration for age division or gender.

Refund/Withdrawal/No Show Policy

1. Refund: The membership fee of \$90 is non-refundable. Full tournament refunds less a \$10 processing fee will only be granted prior to the entry deadline of each tournament. After the entry deadline, no refunds will be given.
2. Withdrawal: A player must notify the Junior Tour office as soon as they wish to withdraw from a tournament. With most tournaments having a waiting list, it is important to notify the Junior Tour office if you are not going to play so we can fill that spot. Please email Michael Rakowski at mrakowski@pgahq.com or call (678) 461-8600 to withdraw.
3. No Show: If a player fails to properly withdraw from an event, and does not play, it will be considered a no show, and that player is subject to a suspension from the next event in which they are registered to play. A second no show will result in suspension from the remainder of the Junior Tour calendar year schedule.

TOURNAMENT POLICIES AND PROCEDURES

Practice Rounds

Each host golf course will set aside some time for practice rounds prior to their tournament. Practice round information will be listed on the Georgia PGA web site at www.georgiapga.com and each player should contact to host golf course to set up a practice round.

Pairings / Starting Times

Pairings for all Junior Tour events will be made by random selection groups of two or three players based on age group and gender for the first round of play at each event.

For the second round, the field will be re-paired by score. Field size and number of players per age division will dictate which divisions tee off in which order.

For all events, requesting starting times or specific groupings will not be accommodated. Players will NOT be called to their tees. Each contestant is responsible for obtaining his / her starting time prior to the round. Please arrive to your starting hole at least 10 minutes prior to your scheduled tee time.

Starting times will be posted on the Georgia PGA website, Georgia PGA Junior Tour App and emailed to each player. Please note the date for each tournament that Round 1 tee times will be available. This can be found on the Tournament Information page for each event on the Georgia PGA website.

Caddies and/or Carts

Caddies are not permitted at any Junior Tour event. Each player must walk and carry their clubs or use a pull cart where permitted by the host facility.

Rules of Play

USGA Rules of Golf and the Georgia PGA Rules of Play Hard Card shall govern all play, in addition to local rules on the Notice to Competitors (Rules Sheet), which is distributed at every event. Be sure to read the Rules of Play Hard Card in its entirety prior to your first event.

Distance measuring devices are allowed in all Georgia PGA Junior Tour events, assuming the device measures distance ONLY. If during a stipulated round, a player uses a distance measuring device to gauge or measure other conditions that might affect his play (gradient, wind-speed, etc.), the player is in breach of Rule 4.3, for which the penalty is the General Penalty for the first breach and for the second breach, the penalty is Disqualification.

Pace of Play

An average pace of play is set for each Georgia PGA Junior Tour tournament based on yardage and difficulty of each hole. Each player will receive a Local Rules Sheet when arriving to his or her starting tee, which has the allotted time per hole. According to Rule 5.6 Unreasonable Delay; Prompt Pace of Play, the player must play without undue delay and in accordance with any pace of play guidelines that the Committee may establish. Between completion of a hole and playing the next teeing ground, the player must not unduly delay play.

Each player must follow the ready golf procedures during their round.

- When arriving to your tee shot, you must determine your yardage and be ready to play as soon as your fellow competitors hit.
- If you are the first to hole out, you must gather your equipment and head to the next hole. The second player to hole out is responsible for picking up the flagstick while the final competitor finishes.
- You must walk with a purpose at all times.

Each player must play without undue delay, which is defined as taking no more than 60 seconds to play a shot. Those players who are first to play from a given area (tee, fairway, green, etc.) will have 15 extra seconds to play their shot. A group will be monitored for pace of play based upon their time par and position (staying up with the group in front).

If any group falls behind their time par, the group will be given notice by a Georgia PGA official. The official will give the group three holes to make up the time. During this three-hole stretch, the rules official will stay with the group ensuring that time is being made up. If the group fails to make up time during the three-hole stretch, they will remain on the clock until the end of their round. If the group fails to make up the time before completing the round, they will be issued a 1 stroke penalty for undue delay.

Notification: Immediately after all of the players have left the teeing ground, but before the next shot, a Rules Official will inform a group that they are out of position and that they will be monitored and timed. It is the player's responsibility to recognize when they have fallen out of position.

Penalties: First Breach of Round = 1 stroke penalty to each player in the group. If the group fails to make up lost time or fall back into position before the completing of play, they will be issued a 1 stroke penalty for undue delay. Penalties are to be added to the final hole of the round.

When a group will be notified: Given when a group is more than 15 minutes behind the group ahead (out of position) and over the allotted time.

- **Position: First Group(s) off Either Tee:** The first group(s) will be in breach of the pace of play policy if they take more than the allotted time to finish a hole until they reach (within 15 minutes) any group ahead. After they reach any group ahead, both conditions must be met to be in breach of the pace of play policy.
Position with Group Ahead: To stay within 15 minutes of the group ahead, players should never have an open hole and they should be in the fairway on par 4's and 5's when the group ahead leaves the green. To remain in position, at least one player from the group must have a ball in play on the hole of the group ahead of them.
- **Allotted Time:** the maximum time allowed to complete play of the course. The allotted time is predetermined by the Tournament Committee and may be adjusted between rounds. Time for ball searches, rulings and walking time between holes is included in the allotted time. The allotted time will be printed on each scorecard and posted at the first tee.
- **Timing:** a group's completion time at each hole is measured when the flagstick is replaced in the hole once all players in the group have holed out.
- **Appeals:** if a player is concerned about slow play of one of their competitors they must remind that competitor of the Pace of Play Policy and encourage them to play more efficiently. The player may ask an official to monitor the group during any point of the round.

No Card

Every competitor must return a signed scorecard even if the card is marked "no card". It is not sufficient to merely tell someone at the scoring table you are "no carding". If you tee off, you must turn in a scorecard.

On Course Withdrawals

If a player must leave a tournament site because of illness or injury, a tournament official must be notified. Any player failing to notify a tournament official and turn in a scorecard will not be eligible to participate in their next scheduled event and no refund will be made.

8. Spectators are not permitted to walk on the fairways, tees or greens.
9. Spectators are encouraged to walk ahead of the group they are watching so as to act as a forecaddie and help spot balls. Spectators are allowed and are encouraged to assist in a search for lost golf balls. Spectators should not lag behind the participants as this can delay the group behind.
